

200 SERIES

RELN Uni-Pit Vortex™

RELN Uni-Pits are the fastest and easiest pits to install. The unique vortex design prevents water pooling in the bottom of the pit, removing a common breeding place for mosquitoes. The Uni-Pit Vortex™ inline drainage system eliminates the need for risers, as vertical pipe can be cut to the required depth.

- Designed to fit with standard sized pavers
- Flat aluminium grate blends in ideally in small or large paved areas
- Built in debris collector prevents pipe blockage
- Vortex design assists in water flow
- Anti-Tamper feature
- Designed to eliminate pooling water = no mosquitoes
- Easy glue fit to 90mm or 100mm PVC pipe
- No risers needed. Cut vertical pipe to required depth

**No Pooling Water!
No Mozzies!**
